Re: Land for Sale Proposal – Ann Arbor Trail

I would like to present and bring forward a recommendation to the Board of Education at the June 8, 2026, Committee of the Whole meeting regarding a proposal for the sale of district property, building on several updates provided throughout the year, including the most recent discussion at the June 1, 2026 Study Session.

Background

The property under consideration is a single lot located on Ann Arbor Trail. This parcel is owned by the district but is not needed for any current or foreseeable educational purpose.

Please add this item to the agenda for the June 8, 2026, Board of Education Committee of the Whole meeting. Thank you.
