IESA Membership Dues

Submission of this form and payment of membership entitles the school to participate in this year's IESA activities **provided entry fees are received by the deadlines for each activity** as listed on the entry form.

We certify that our school is **recognized by the Illinois State Board of Education**. It is understood that failure to be recognized by the Illinois State Board of Education will disqualify our school for membership in the IESA and that if this were to occur, it is our responsibility to immediately notify the Association of this change in status.

In accordance with Section 2.011 of the IESA By-Laws, the Constitution, By-Laws, and Terms and Conditions of the Illinois Elementary School Association have been adopted by the Board of Education, Board of Directors, or other governing body of the petitioning school as the code governing its interscholastic activities at the grade levels in which it is participating in IESA state-sponsored tournaments or contests. We further certify that **our Board of Education/Governing Board at its meeting held on the following date voted to renew membership** in the Illinois Elementary School Association.
