### Background:

The Arizona Department of Education (ADE) guidance for school districts related to reporting school enrollment and attendance requires districts to report the enrollment of students at the physical site where learning occurs.

Currently, the grade configuration at Marana Middle School (5779) does not include 5<sup>th</sup> and 6<sup>th</sup> grades. Marana Unified School District intends to utilize this facility (11285 W. Grier Rd., Marana, AZ 85653) to serve 5<sup>th</sup> and 6<sup>th</sup> grade students, identified on an individual basis, to attend the Exceptional Student Services classes at Marana Middle School. The Governing Board must approve this change before ADE and the Arizona Department of Administration School Facilities Division recognize the site as serving grades 5<sup>th</sup> through 8<sup>th</sup> grade effective July 1, 2025.

### Recommended Motion:

I move that the Governing Board approve of 5<sup>th</sup> and 6<sup>th</sup> grade students, identified on an individual basis, to attend Exceptional Student Services classes at Marana Middle School.

Approved for transmittal to the Governing Board:   
Dr. Daniel Streeter, Superintendent
