Dear Dr. Fuller:

Just a reminder that your 2013 grant request will need to reach us by January 15, 2013. Your request should include:

- a. Prioritized list of requested items
- b. Minutes of your board meeting in which grant request was approved by a motion with 2nd, signed by you or an officer of the school board.

As in the past our grants may be limited due to the economy. Because of this please prioritize your request with most needed item being listed first and other requests listed in order of their need.

Sincerely,
