10. DISABILITY SERVICES

Students request accommodations for a disability in a College course must contact the College's Disability Services Office each semester to register for or renew accommodations for College courses. Seeking college accommodations is the student's responsibility. If the student does not make a request for accommodation and actively participate in the accommodation discussion as needed, the student will not receive an accommodation.
- d. Instructors must receive an approved accommodation letter via College email before students can use their College-approved accommodation in the Instructor's course.

11. STUDENT EXPECTATIONS and RESPONSIBILITIES

- a. A Dual Credit course is a college course in all respects. The curriculum and teaching methods are the same as used in other college courses.
- b. All NCTC college courses whether face to face or online require the use of the college learning management system Canvas as well as additional programs to complete course requirements. Therefore, students will need technology in order to access the systems. Should the student have a device (computer, tablet or laptop) checked out by the ISD, they will need to ensure the appropriate programs are accessible.
- c. While taking courses through NCTC, the student must adhere to all College policies and regulations contained in the college catalog, student handbook, and course syllabus.
- d. Students will be responsible for completing a Title IX module in the learning management system Canvas.
- e. To prepare for college course assignments, all college students should expect to invest at least as much time out of class as in class reading and studying. All students should schedule more study time when they have an exam or when projects are due.
- f. High school courses may not address the same controversial issues or subject matter as a college course, so Dual Credit students should be prepared to participate in adult/college level class discussions.
- g. The students should not expect to repeat work, receive extra credit or do additional work in order to improve a grade.
- h. High school extra-curricular activities may conflict with Dual Credit courses. Parents and students should seriously discuss priorities before and during enrollment in a dual credit course. Students are responsible for all materials related to the course whether or not they are in class the day the information is given or the assignment is made. Students will need to talk to their instructor about

arrangements for receiving handouts, classroom information, obtaining lecture notes, or turning in work.

- i. Students requesting special accommodations while enrolled in dual credit courses must schedule a meeting with the NCTC Office for Students with Disabilities (OSD) prior to the beginning of the semester they are enrolled in.
- j. Students must maintain a "C" or better in each Academic or CTE course to continue in the dual credit program the following semester. Specialty programs such as Fire/EMT and Cosmetology require a numeric grade of 75 or better in each course, each semester to continue in the program the following semester.

12. ATTENDANCE

- a. Dual credit students are expected to attend class. Students must follow the instructor's attendance policy as outlined in the course syllabus. If students will be out of class for an official school function, the high school must notify the NCTC instructor prior to the absence. Students must also notify the instructor prior to the absence and should be aware that approval of make-up work is at the instructor's discretion.
- b. Generally speaking, colleges do not distinguish between an excused or unexcused absence, an absence is defined as "a student not being in class."
- c. Missing more than one week of class will negatively affect student's grade. NCTC instructors reserve the right to withdraw students from courses for excessive absences. Students should be aware of the instructor's policy as stated in their syllabus.
- d. Students who miss more than one week of class due to high school suspension, assignment to alternative education and/or expulsion may be withdrawn from the college course.
- e. NCTC should be notified if a student is assigned to alternative education or suspension.

13. WITHDRAWAL FROM COURSES

- a. If a student wishes to withdraw from a dual credit course, they must first discuss the matter with their high school counselor. It is the high school's responsibility to place the student in an alternative high school course to ensure necessary credits for high school graduation.
- b. Dual credit students are exempt from Senate Bill 1231 that limits the number of withdrawals of college students to 6 total courses during their undergraduate career.
- c. It is the student's responsibility to submit an official withdrawal form to NCTC if the high school grants permission by the college published deadline each semester.

14. TRANSCRIPTION OF CREDIT

- a. NCTC shall transcribe the respective credit immediately upon a student's completing the required course.
- b. NCTC will communicate letter and numeric midterm and final grades each semester for students to the ISD.

- c. If a student wishes to appeal a grade at the end of a semester, they must follow the NCTC grade appeal/change of grade policy as published in the NCTC Student Handbook deadline.
- d. The local ISD is responsible for maintaining the student's high school transcript.
- e. School districts are responsible for creating a crosswalk of course equivalency for each high school course and its associated college course, including number of credits that may be earned for each course offered as dual credit.
- f. The approved course crosswalk will be published on the high school website each academic year and the college will post a link to each ISD's high school dual credit webpage.
