Basic information:

The administration is asking the Board to consider a \$650,000 property tax abatement as an effort to continue to support the community during these difficult economic times without negatively impacting future district revenue.

2024 Estimated New Property: \$16,832,213 2024 Estimated Limiting Rate: \$3.9822 2024 Estimated New Property Increase: \$670,292

Background or historical information:

The BOE has done a property tax abatement for D33 residents for the last 6 years.

2018 - \$700,000 2019 - \$714,417 2020 - \$400,000 2021 - \$400,000 2022 - \$400,000 2023 - \$1,000,000

For 2018 and 2019, these amounts represented the CPI (inflation) of 2.1%. In 2020, the BOE abated a smaller amount to step down gradually and free up more dollars for potential Capital Projects. In 2021 and 2022, the BOE abated \$400,000 based on the estimated revenue from new construction. We've continued using the estimated revenue from new construction to determine a possible tax abatement.
