

June

Dear Parents,

As another year wraps up, I want to thank you for the opportunity to be part of your child's life. I am so pleased with the growth our students made this school year. To encourage learning throughout the summer, please consider two options.

First, plug into our local library. Make sure your child has the opportunity to read for pleasure. One of the best gifts is to find books within their interests. Secondly, finding a family member or friend that your child could become a pen pal with encourages writing throughout the summer. I hope you all have a restful and fun summer. I look forward to welcoming you back in the fall.

Sincerely, Jenny Jones
