- As an act of kindness Lincoln Learners wrote thank you letters to our substitute teachers and sent them out via snail mail.

- Participating with Pana Pride in “Christmas In The Park/Winter Wonderland” at Kitchell Park on December 7th was a huge success. A great big thank you to Mrs. Tynan for putting in the work to make this happen!

- December 17, 2020 is the End of the 2nd Quarter. Every effort to conduct safe holiday enrichment activities have been planned to keep students engaged in learning. Report Cards will go out on January 7th after we return from break.
- Winter Map testing was completed during the week of 12/6/20 providing feedback to help drive instruction as we head into the 3rd quarter and start an after school tutoring program in January to help struggling students.
- Third grade took a cue from the book "Balloons Over Broadway " by Melissa Sweet and treated Lincoln School to our own Macy's Thanksgiving Day Parade. They proudly strolled through the halls displaying their balloon creations.

- Mr Metzger's students were using their engineering and math skills using the new intooba rods during TECH Time. A huge THANKS to the Pana Education Foundation for awarding us the money to purchase the kits!

- Students in Mr Metzger's class worked with the new intooba rods during TECH Time today. These rods helped us use our engineering and math skills.
- The staff at Lincoln School would like to wish the Pana CUSD #8 Board of Education a very Merry Christmas and a Happy New Year!
