Goliad ISD

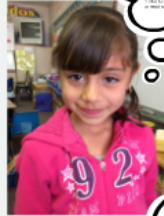

# Family Reading/Math Nights

---

Each campus will hold two Family Reading/Math Nights.

# How Has Balanced Literacy Helped

"I've enjoyed it a great deal since I've been able to read on my own. I like to read books and I like to read to my friends."

"The literacy work started earlier, but I like to read much better. I can read on my own now."

"I like to read books and I like to read to my friends. I like to read on my own."

"I like to read books and I like to read to my friends. I like to read on my own."

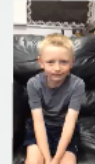

"I like to read books and I like to read to my friends. I like to read on my own."

"I like to read books and I like to read to my friends. I like to read on my own."

"I like to read books and I like to read to my friends. I like to read on my own."

"I like to read books and I like to read to my friends. I like to read on my own."

"I like to read books and I like to read to my friends. I like to read on my own."
