

ESEA Title Programs

Please be sure to sign in!

The purpose of ESEA Title Program Meeting:

- Academic Support
- Student Challenges
- Federal Funding: Learn more.
- Needs Assessment

Title Budget & Request Process

Development Timeline: The 26-27 budget is created with stakeholder collaboration at the end of the 25-26 school year.

Dedicated Funds: Budgeted items are pre-allocated, and "extra" funds are not available for new initiatives.

Purchasing Guidelines:

- Items outside the budget require review.
- If approved, other budgeted items must be removed to reallocate funds.

Review & Modifications:

- Curriculum Director reviews the budget.
- Grant Manager modifies to reflect any necessary changes.

Math Assessments

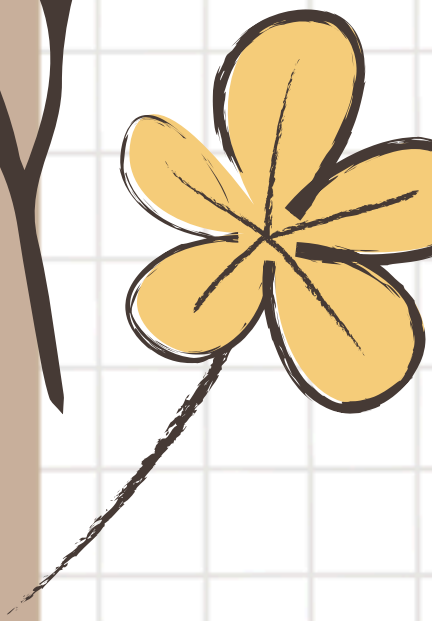

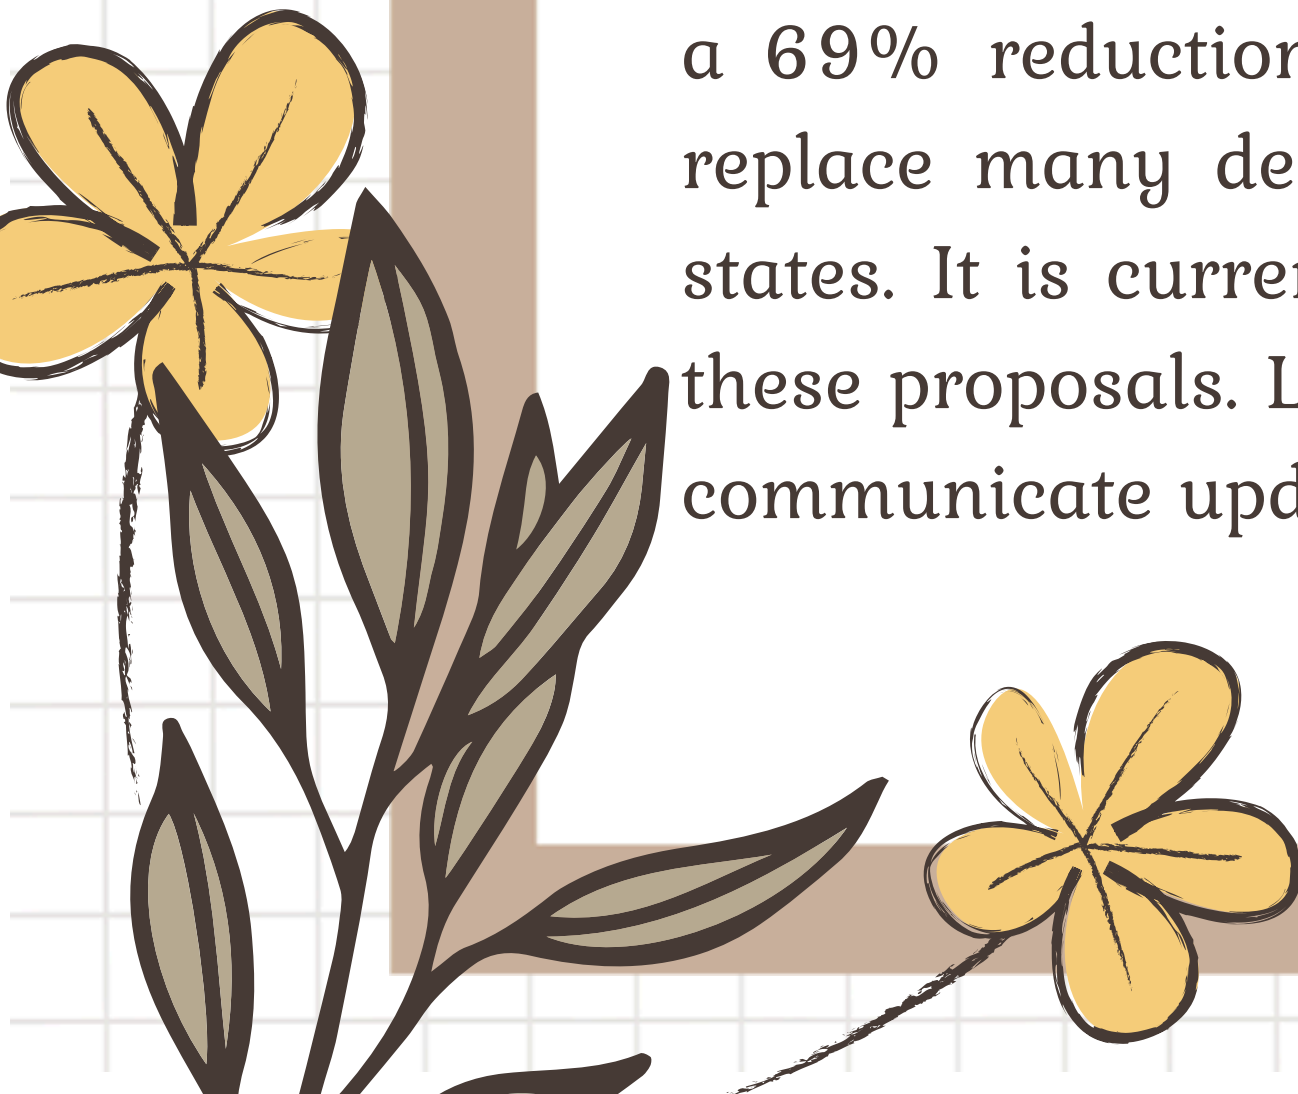

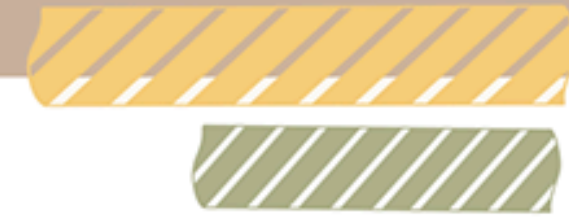

Attendance Tracking/Recognition

Important Note Regarding Future Funding

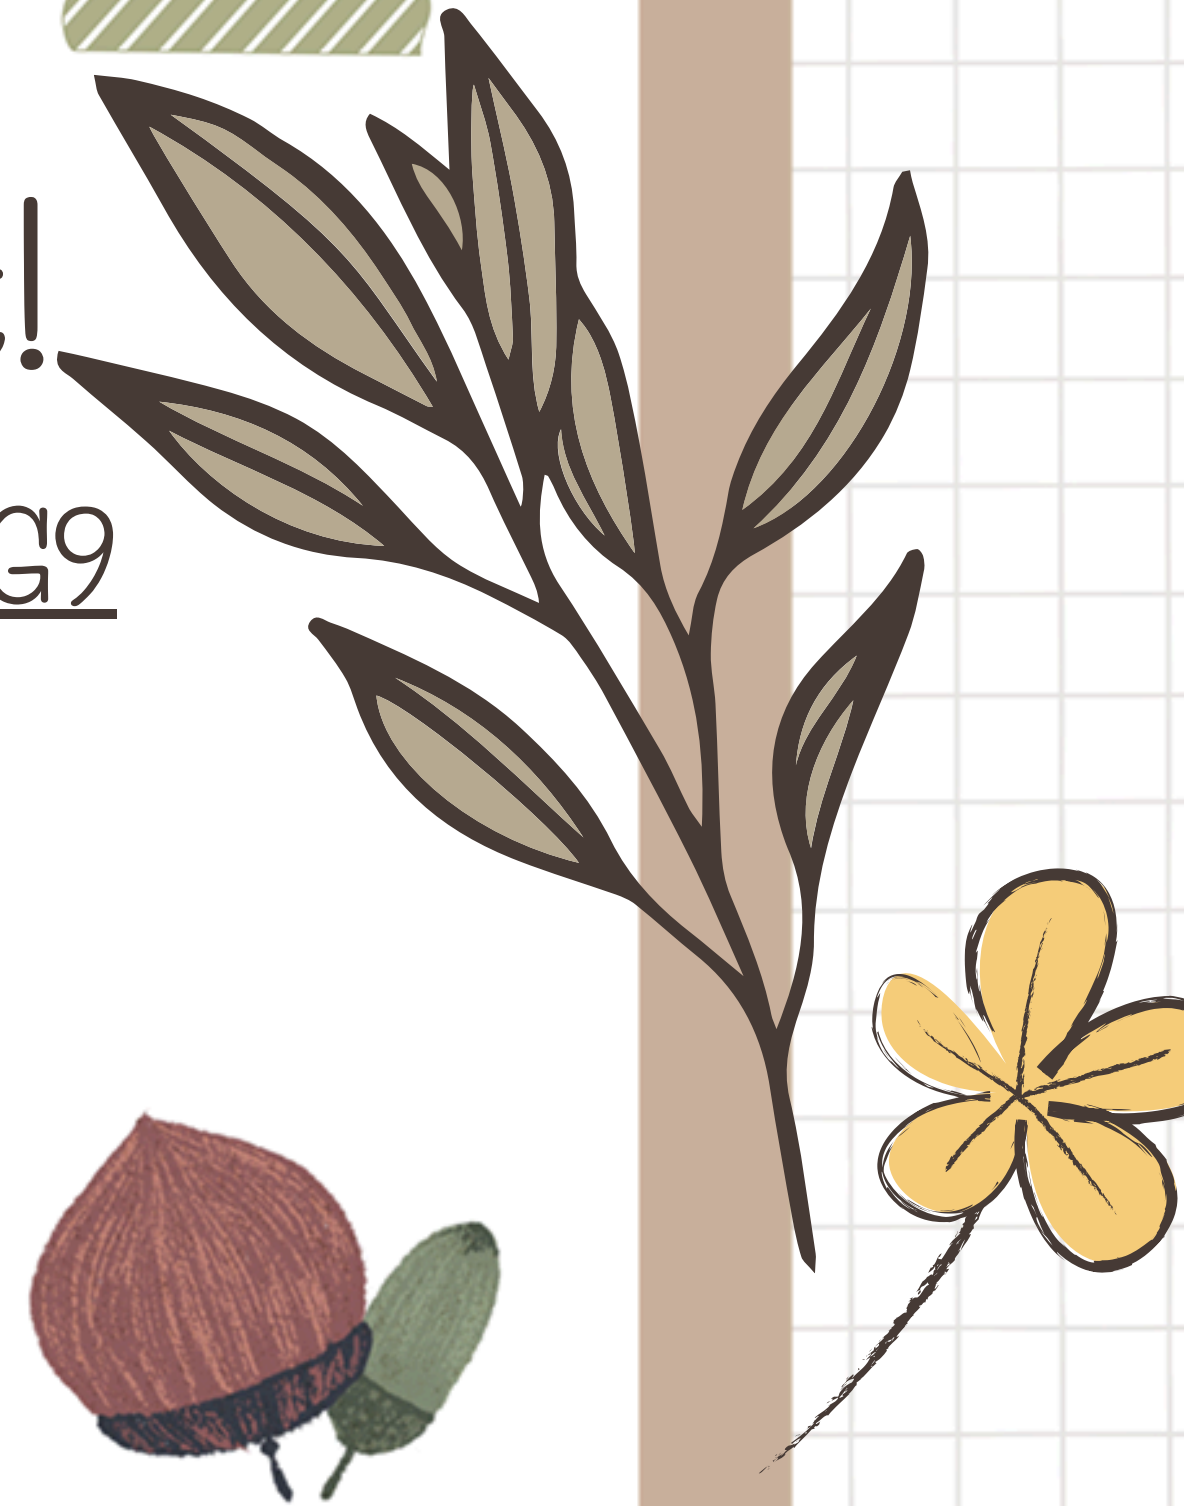

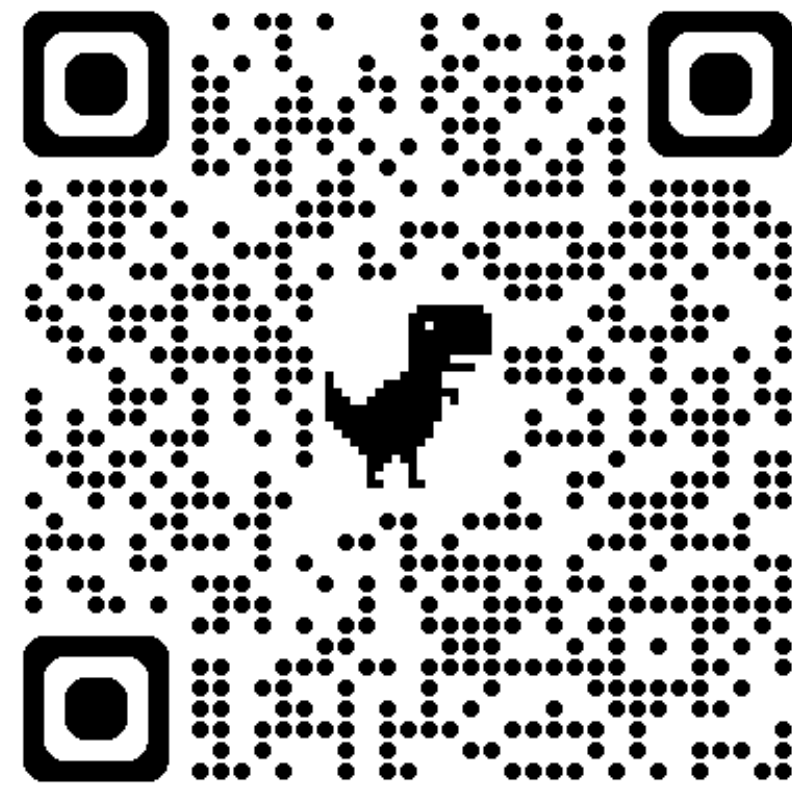

The President's proposed FY28 federal budget includes only Title I-A and Title VI funding for continuation. It also proposes a 69% reduction to federal education programs and would replace many dedicated grants with a single block grant to states. It is currently unknown how Congress will respond to these proposals. LPSD will continue to monitor this closely and communicate updates as they become available.

We value your input!
