To Whom It May Concern:

I am writing to inform the school that I will be leaving my position as music teacher at Derby Public Schools. My last day will be Wednesday, February 24th, 2016.

I have greatly enjoyed teaching in the Derby school district. It has been both a rewarding and memorable experience that has taught me more about myself as a teacher than I ever thought possible. However, I was recently offered a full time position and decided that at this point in my career it is not something that I can refuse.

With great dismay, I must give my resignation letter and with much respect, I have appreciated the opportunity that was given to me. I wish the music department and school as a whole the best of luck in all of its endeavors.

Best regards,

Rebecca Pacuk

To whom it may concern,

Please consider this as my resignation from my position as 7th grade Science teacher at Derby Middle School, effective immediately.

It is with a heavy heart that I leave this position which I have loved. Due to my second pregnancy and the inability to extend child rearing leave, it is no longer possible for me to continue with the district.

I will always cherish my years within the Derby School District. I couldn't have had a more rewarding start to my career. I am fortunate to have been an educator to my enthusiastic 7th grade students and part of a striving and ambitious team of teachers at the Middle School.

I would like to take this opportunity to thank you most graciously for the help, support and opportunities I have had in the fantastic years I have been with the district. It has been a remarkable experience and I feel I have gained a lot of knowledge that I can take with me into my future pursuits.

Should you require any additional information from me, do not hesitate to contact me.

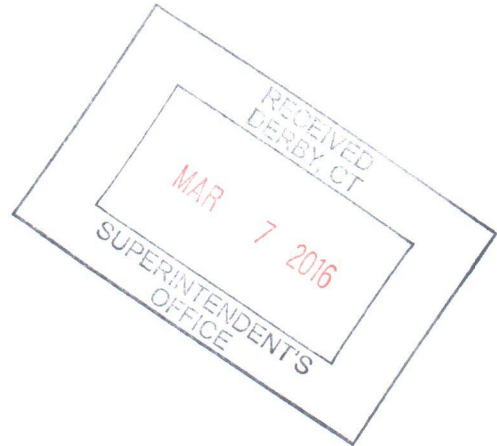

Yours sincerely,

Rozina Jaser

Mrs Olson,

As of today, March 2nd I will be resigning as a Para at Irving. I LOVE all of the students and the staff, however, scheduling with my son, work, and school is becoming overwhelming for me. My last day will be on March 18, 2016.
