GOAL 2: Develop well-rounded students in the areas of character, community & academics.

The school year is off to a great start. I would like to thank the staff and students for “Being Good Human Beings” and showing Trojan Pride. It is great to see the building full of people and even better to watch the interactions amongst staff and students in the pursuit of learning and making everyone a better person.

GOAL 4: Promote and provide positive school and community culture that engages all stakeholders.

Student Council is working hard getting things ready for the Homecoming week. In addition to the events listed below, the student council again will be painting driveways and lawns with Trojan Heads, painting downtown business window with School Spirit, and the MS and HS students will again enjoy a Friday morning of fun filled activities to end the week.
