Nothing herein shall be construed as a waiver by School District of any of the immunities or limitations of liability to which it may be entitled pursuant to Minn. Stat. Ch. 466 or any other statute or law.
10. Insurance Terms. In order to protect itself and to protect the County under the indemnity provisions set forth above, School District shall, at its expense, procure and maintain policies of

13. Relationship of the Parties. Nothing contained in this Agreement is intended or should be construed as creating or establishing the relationship of co-partners or joint ventures between the County and the School District, nor shall the County be considered or deemed to be an agent, representative or employee of the School District in the performance of this Agreement. Personnel of the School District or other persons while engaging in the performance of this Agreement shall not be considered employees of the County and shall not be entitled to any compensation, rights or benefits of any kind whatsoever.
14. Governing Law, Jurisdiction and Venue. Minnesota law, without regard to its choice-of-law provisions, governs this Agreement. Venue for all legal proceedings arising out of this Agreement, or its breach, must be with the appropriate state court with competent jurisdiction in Dakota County.

Upon the County's giving the School District written notice of an event of default, the School District shall have thirty (30) calendar days in which to cure such event of default, or such longer period of time as may be reasonably necessary so long as the School District is using its best efforts to cure and is making reasonable progress in curing such events of default (the "Cure Period"). In no event shall the Cure Period for any event of default exceed two (2) months. Within ten (10) calendar days after receipt of notice of an event of default, the School District shall propose in writing the actions that the School District proposes to take and the schedule required to cure the event of default.

- (2) The County may enforce any additional remedies it may have in law or equity.
- (3) The County may terminate this Agreement and its obligation to provide funds under this Agreement for cause by providing thirty (30) days' written notice to the School District. Such notice to terminate for cause shall specify the circumstances warranting termination of the Agreement. Cause shall be a material breach of this Agreement and any supplemental agreement or modification to this Agreement or an event of default. Notice of Termination shall be made by certified mail or personal delivery to the Authorized Representative of the other Party. For purposes of termination and default, all days are calendar days.

17. Non-Appropriation. Notwithstanding any provision of this Agreement to the contrary, this Agreement may be terminated immediately by the County in the event sufficient funds from the County, State, or Federal sources are not appropriated, obtained and continued at least the level relied on for the funding of this Agreement, and the non-appropriation of funds did not result from any act or bad faith on the part of the County.

18. Ownership of Materials and Intellectual Property Rights.

- (a) Except as otherwise required by Minnesota or Federal Law, the County agrees to, and hereby does, assign all rights, title and interest it may have in the materials conceived or created by the School District, or its employees or subgrantees, and which arise out of the performance of this Agreement, including any inventions, reports, studies, designs, drawings, specifications, notes, documents, software and documentation, computer-based training modules, electronically, magnetically or digitally recorded material, and other work in whatever form ("Materials").

School District shall indemnify and defend the County, at its expense, from any action or claim brought against the County to the extent that it is based on a claim that all or parts of the Materials infringe upon the intellectual property rights of another.

19. Special Conditions. The School District understands and agrees that it will perform the work contemplated by this Agreement in such a way as to comply with and enable the County to comply with all of the requirements imposed upon the County in the State Contract, including but not limited to the following:

- (a) Any publicity given to the activities occurring as a result of this Agreement, including notices, informational pamphlets, press releases, research, reports, signs and similar public notices shall identify that it is "Supported by the Statewide Health Improvement Partnership, Minnesota Department of Health and Dakota County Public Health Department" and shall not be released unless approved in writing by these entities' authorized representatives.
