RE: Northwestern Illinois Association (NIA) Executive Board Ballot

Central 301 is a member of the Northwestern Illinois Association (NIA) and an annual requirement from the Board is for participating districts to submit a ballot for the Executive Board.

The Articles of Agreement for NIA call for the election of the District Administrator and School Board Member this year. The ballot is included in the board packet. There is only one candidate on the ballot for each position. It is my recommendation that we vote for these two candidates.

Motion: Move to elect Diane Tyrrell and Steven Fiorentino for NIA Board membership for the 2025-26 school year.
