Elementary Board Report Jennifer Moravetz, Elementary Principal

Monday, April 28, 2025

- Kindergarten Round-Up was held on Thursday, March 27th, and Friday, March 28th. We were excited to welcome and screen approximately 112 future junior Kindergarten and Kindergarten students.
- Our students have completed their published books and their books have been sent off to be professionally printed! We can't wait to share these incredible student authored pieces during Literacy/Young Author's Night in early May. I am so proud of our young authors and all of their hard work they have put into writing their books.
- We celebrated our final TERRIFIC Kids program on Friday, April 4th. It was a special moment to honor students who exemplify good character and positive behavior. We are so proud of our TERRIFIC Kids and their continued growth!
- Various team members at the elementary will be conducting interviews for the open elementary school positions in the coming weeks. I am looking forward to bringing on board dedicated team members who will contribute positively to our school community.
- We successfully conducted a school-wide tornado and fire drill this past week. Our students and staff did an excellent job responding quickly and calmly, reinforcing the importance of safety and preparedness.
- The 5th Grade Spring Concert on Thursday, April 10th was a wonderful success! Our students gave an incredible performance, showcasing their musical talents and hard work. A huge thank you to Miss Davis for her hard work on another great concert.
- 3rd Grade enjoyed an exciting and educational field trip to Split Rock this past week.
