

## **BP 5131.7 WEAPONS AND DANGEROUS INSTRUMENTS**

Students shall not bring to, possess, or use deadly weapons, firearms, dangerous instruments, or their replicas in school buildings, on school grounds or district-provided transportation, or at any school-related or school-sponsored activity away from school, unless written permission has been previously obtained from the Superintendent or designee specifically authorizing that possession or use. Students who violate this policy are subject to disciplinary action in accordance with district policy and procedures.

School employees may confiscate weapons or dangerous instruments on school grounds or at school-related or school-sponsored activities in order to maintain discipline and to protect the welfare and safety of students, staff and the public.

The District shall, by regulation, define the terms "deadly weapon," "dangerous instrument," and "firearm."

Note: School districts receiving funding under the "Elementary and Secondary Education Act of 1965 (20 USC 2701, et. seq.) (ESEA), are required by the "Gun-Free Schools Act" (GFSA) to adopt a policy provision mandating a minimum of a one-year expulsion of any student bringing a firearm to school or to any school activity. The legislation enacting the GFSA requires the act to be construed consistently with the Individuals with Disabilities Education Act (IDEA). The United States Department of Education has taken the position that these limits on the expulsion of certain special education students under Part B of IDEA and Section 504 of the Rehabilitation Act (Section 504) can be accommodated through application of the Superintendent's ability to modify expulsion recommendations on a case-by-case basis. Similarly, accommodations can be made for districts that have extra-curricular firearms programs, since the GFSA does not prohibit the presence at school of guns that are to be used solely for sporting, recreational or cultural purposes.

The **School** Board shall expel any student who brings a firearm to school in violation of this policy for a period of not less than one (1) calendar year. The Board shall suspend for at least 30 days, or expel for the school year, or permanently, a student who possesses a deadly weapon other than a firearm. The district may consider requests for early reinstatement by students suspended or expelled for violations of this policy. The Superintendent shall develop procedures and conditions for early reinstatement.

The Superintendent may, on a case-by-case basis, recommend a modification of these periods of suspension or expulsion. Such modification recommendation shall involve consideration of all relevant factors, including those in aggravation and mitigation of the violation, and, for students with disabilities, whether violation of this policy is a manifestation of the student's disability.

The Superintendent shall be responsible for reporting all violations of this policy to the Board and shall make all required reports to state, local, and federal agencies. The Superintendent shall also be responsible for referring to law enforcement authorities any student who violates this policy.
