ITEM

SUBJECT:

Consider Board approval of using IMA funds for the purchase of iReady for K-12.

RATIONALE:

State law requires an approved method for acquisition of goods or services totaling over \$50,000.00 for a 12 month period.

Curriculum Associates product iReady has been used to support our continued efforts for improvements in meeting the academic needs of all our students, especially those experiencing the greatest loss of learning due to the pandemic.

Due to the conclusion of ESSER funding (which had been used to purchase this program in the previous years), the Teaching & Learning Department requests for iReady to be purchased with IMA funds for the 2025-2026 school year. The total cost of this is \$202,344.00. Please see the attached quotes and letter of justification.

If approved, these materials will be implemented in the 2025-26 school year.

RECOMMENDATION:

The administration recommends that the District approve the purchase of Curriculum Associates iReady program using the district IMA funds.
