This request is not applicable to us; we are a K-8 district.

To whom it may concern,

I am a news reporter from Lake County Gazette, a media organization committed to providing comprehensive and accurate news coverage on local governmental affairs. I am requesting the following records under the Illinois Freedom of Information Act, 5 ILCS 140, preferably in electronic format:

Names and honors of all students in your high schools recognized by the College Board as AP Scholars.

As a member of the media, I am involved in gathering and reporting news to the public. Access to public records is essential for me to fulfill my professional responsibilities, which include holding public institutions accountable and providing transparency to the public. Given my role in disseminating information, I believe I am eligible for a fee waiver as a media professional.

Please let me know if you have any questions,

Owen Wang,

Lake County Gazette
