BACKGROUND INFORMATION:

As part of the Healthy, Hunger-Free Kids Act of 2010 signed by President Obama December 2010, section 205 Equity in School Meal Pricing states all school districts operating the National School Lunch Program must begin to address the difference between the free reimbursement of \$2.72 provided by USDA and the average paid price of \$1.87 Beeville students pay at the district level. Using the chart provided by USDA, school districts must increase their paid prices accordingly.

RECOMMENDATION:

I recommend increasing the paid lunch prices by \$0.05. This would increase the Pre-K – 5th grade price from \$1.75 to \$1.80 and the 6th – 12th grade price from \$2.00 to \$2.05.

BOARD ACTION REQUIRED

I move to approve an increase of \$0.05 for paid lunches for the 2011-2012 school year. This would increase the PreK-5 grade price from \$1.75 to \$1.80 and the 6th-12th grade price from \$2.00 to \$2.05.
