Agreement _____

ACTION

BACKGROUND INFORMATION

This agreement would replace the agreement we have with BSM to handle our SHars reimbursements.

ADMINISTRATIVE CONSIDERATION

Lacy Doster and I have looked this policy over and think it is going to cost the District a considerable amount of money. Unless we get some more information, I do not think it will be cost effective for Levelland ISD to use this company.

ADMINISTRATION RECOMMENDATION

I do not recommend adopting this agreement at this time.
