BOARD GOAL: Budget and Finance

FISCAL NOTE: Budgeted in General Fund

Background Information:

The Preview for the following bids was presented to the Board of Trustees on February 14, 2005. Bid tabulations are attached for your review.

Administrative Considerations:

Concrete Paving

- The Purchasing Department along with the Maintenance Department recommend award for this annual proposal to A D Concrete. The Maintenance Department will be completing all minor concrete projects in-house. This proposal would be utilized for the major concrete projects. A D Concrete has been a previous vendor providing favorable service and product for Keller ISD.

Theatrical Supplies and Equipment

- The Purchasing Department along with the Fine Arts Department recommend award for this routine, annual proposal to all vendors due to product and vendor availability.

Literacy Comprehension Software

- The Purchasing Department along with the Special Programs Department recommend award to Cognitive Concepts for the Earobics Software. This specialized proposal is for the continuance of an early literacy acquisition for ESL students in the elementary grade levels.

Band Equipment and Instruments Repairs

- The Purchasing Department along with the Fine Arts Department recommend award for this annual proposal to all vendors due to product and vendor availability.

The administration recommends that the Board of School Trustees approve the bids as presented.
