#### **c. Rationale for Inactivation**

The AAT English Literature degree was amended this year by the Transfer Council to now be an AAT English degree. The recent revisions to the English AAT degree allow for greater flexibility and can now meet the needs of our English majors who want to focus on creative writing and publishing and plan to transfer to PSU (or other institutions). We have consulted with the English department at PSU and they agree. As a result, the AS Area of Emphasis in English at PSU is being suspended.

#### **d. Teach Out Plan**

The English Department will email students who are currently enrolled in the AS-PSU who are still attending CCC. Letters will be sent to students who were previously enrolled in the AS-PSU within the last five years but are no longer attending CCC. Students will be offered advising session with the departmental advisor for English programs.

There are no planned changes to faculty, courses will continue to be offered, advising will continue to be offered through the Advising Department and English Department. Students will be offered the opportunity to explore whether the English AAT degree will serve them better, but can choose to stay in the AS-PSU. Most students will benefit from the flexibility of the English AAT.

If a student is advised into the AAT English, we will compare the two programs to ensure that the change will not cause additional terms or courses for the student. This accommodation will be offered to any student enrolled in the AS-PSU from the catalog year 2020-21 through 2024-25.
