 Re: Press Policy 1st Reading – Issue 121

The following policies have been updated and presented for the Board’s review. The Board reviews policies in two readings: the first to discuss them and make changes as necessary, and the second to finalize any changes and adopt new policies. The following policies are presented for the Board’s first reading.

The policies have been modified due to changes in the law, legal references, and a review to ensure they are current.

Each policy includes footnotes with backup information on all changes. The recommendation for each policy is listed below.

I will recommend the Board approve the policies at a future meeting.
