

SECTION 105C OPT-IN RESOLUTION

BACKGROUND

The State School Aid Act (MCL 380.1601 et seq) requires boards of education to act by June 1 each year to opt out or opt in of schools of choice. Section 105c permits school districts to accept schools of choice enrollment applications by nonresident applicants residing in a district located in a contiguous intermediate school district. To allow our homeschool partnership students to take our MPS virtual core classes, we are recommending that our district opt in to 105c.
