PACE Staffing

Interviews were held for an administrative assistant and an offer will be made later this week. We continue to search for an applicant for the Anchorage office. An ad is currently running with the Anchorage Daily News. Part of that service includes ads in online job searching platforms, such as Indeed. We also have an open certified position.

School Improvement

The third quarter school improvement plan will be submitted on March 27. The part-time grad coach / administrative position is covered by the grant associated with the SIP. DEED has not yet confirmed the total amount that will be given to schools for FY25/FY26. Our current grad coach, Cara Nygard, has successfully reached out to students identified as struggling through our monthly MTSS meetings, and provided significant help to teachers with outreach.

PACE inservice will be held virtually April 16 and 17. The inservice will focus on best practices in teaching and communication, utilizing AI in the classroom, and literacy instruction.

State Testing: AK Star and PEAKS

PACE state testing for AK Star and PEAKS are March 24-29 and April 7-12.
