Consider Approval of Sole Source Purchase with Naviance Family Connection for the 2010-2011 School Year

Background:

Naviance Family Connection is a comprehensive web-based service designed especially for secondary students and parents to help with individual goal-setting and ongoing decision-making plans for colleges, careers, and scholarships. Naviance Family Connection is linked with Counselor's Office, a tool that CCISD uses to track and analyze data about college and career plans to help with current and future needs of individual students. Intermediate students were added to the system in 2008-2009, replacing the Individual Academic Career Plan (IACP), which allows a method for all students to have an on-line portfolio that will grow with each student beginning in grade 6. Additional features of this system include Course Planner, Method Test Prep (SAT/ACT); Learning Style Inventory and a Personality Profiler.
