

MARBLE FALLS

Independent School District

Meeting Date:

Meeting Type:

LOVE & INSPIRE

Marble Falls ISD has an unyielding commitment to love every child and inspire them to achieve their fullest potential.

2025 STAAR Board Report

In spring 2025, students in MFISD took the State of Texas Assessments of Academic Readiness, or STAAR, assessments in reading, mathematics, science, and social studies.

In grades 3–8, all students are tested in mathematics and reading. Students are also tested in science at grades 5 and 8, and social studies at grade 8.

In High School, students take an End of Course (EOC) exam, based on enrollment in Algebra I, Biology, English I, English II, and US History courses.

Performance Levels on STAAR:

Approaches- Performance in this category indicates that students are likely to succeed in the next grade or course with targeted academic intervention. Students in this category generally demonstrate the ability to apply the assessed knowledge and skills in familiar contexts.

Meets- Performance in this category indicates that students have a high likelihood of success in the next grade or course but may still need some short-term, targeted academic intervention. Students in this category generally demonstrate the ability to think critically and apply the assessed knowledge and skills in familiar contexts.

Masters- Performance in this category indicates that students are expected to succeed in the next grade or course with little or no academic intervention. Students in this category demonstrate the ability to think critically and apply the assessed knowledge and skills in varied contexts, both familiar and unfamiliar.

Green highlights on the attached charts indicate areas of growth from 2024. Yellow highlights indicate performance equal to 2024. Purple boxes indicate areas of performance equal to or higher than the state average. An * following a number indicates growth at the cohort level.

- 3 of 8 reading tested grades increased from 2024 at Approaches, 2 increased at Meets, and 3 increased in Masters.
- 2 of 8 reading tested grades performed above the state average at Approaches, 0 at Meets and 0 at Masters.
- 1 of 3 reading Spanish tested grades increased from 2024 at Approaches, and 2 increased at Meets and Masters.
- Overall in reading, at the campus level, six grades had an increase at Approaches, seven had an increase at Meets, and ten had an increase at Masters. In Spanish, two had an increase at Approaches and one had an increase in Meets and Masters.
- 2 of 7 math tested grades increased from 2024 at Approaches, 2 stayed consistent with 2024. 5 of 7 increased at Masters.
- 0 of 7 math tested grades performed above the state average at Approaches and Meets, 1 of 7 at Masters.
- 0 of 3 math Spanish tested grades increased from 2024 at Approaches.
- Overall in math, at the campus level, five grades had an increase at Approaches, five had an increase at Meets, and six had an increase at Masters.
- In science, 5th grade increased at the Approaches level in comparison to 2024 and Spanish 5th grade increased at the Approaches level both at the district and both campuses.
- Biology increased at the Masters level in comparison to 2024.
- In social studies, the USH EOC stayed consistent at the district level in Approaches and Meets, with Falls HS increasing at the Approaches level and MFHS increasing at the Meets level.
- In math there were 2 increases of cohorts at approaches (5, 8), 2 increases in meets (5, 8) and 2 increases in masters (4, 8).
- In reading there were 3 increases of cohorts at approaches (4, 7, 8), 3 increases in meets (4, 5, 8) and 3 increases in masters (4, 5, 8).

2025 STAAR Board Report

More information will be released with the TAPR (Texas Academic Performance Report) later this fall. If TAPR is released on time, Dr. Melissa Fields will present the TAPR at the January Board of Trustees meeting.
