

To whom it may concern:

I am writing this to inform you of my resignation here at Waskom ISD. I want to take this time to personally thank you for the 3 wonderful years I have spent at this school! It was a blessing and a pleasure. Waskom will always have a place in my heart. As of now I am giving back my keys with this letter to you, signed and dated below.

Sincerely,  
James S. Salter
