

# BISD Teaching & Learning

---

Natalie Jones, Chief Academic Officer

**LEARNING [Goal 1]:** Develop and obtain local standards for high levels of integrated learning.

February 27, 2025

- I. Professional Learning Sessions I February 17, 2025
- II. Weekly WIG Sessions-Focused effort to attain district goals through weekly accountability meetings while reflecting on current data and establishing commitments using the 4 Disciplines of Execution

2025 LEARNING WIG (WILDLY IMPORTANT GOAL): **SYSTEMATICALLY IMPROVE PERFORMANCE All student demographic groups will be on track to meet or exceed TEA Performance Targets by May 2025.**

**Lead Measure 1:** All math, RLA, and science classes will implement High Quality Instructional Materials 97% of the time. (Learning Walk Data)

**Lead Measure 2:** Students will be engaged in research-based instructional strategies 70% of the time in math, RLA, and science classrooms. (Learning Walk Data)

2025 CULTURE WIG (WILDLY IMPORTANT GOAL): **ESTABLISH EFFECTIVE COLLABORATIVE TEAMS 85% or more of BISD teachers and administrators will rate ECT meetings as being a valuable use of their time by May 2025.**

**Lead Measure 1:** All core teams at each campus will meet to complete the Lead Measures ECT data form on a weekly basis.

**Lead Measure 2:** ECTs will have an identified instructional focus 80% of the times they meet.

- III. MOY MAP Testing Results; STAAR/EOC Interims in February and March
- IV. IMRA Adoption for High Quality Instructional Materials ongoing sessions to review materials
