Administrator/Staff: Damian Crowson

Type of Item: *Informational* *Action*

Please state your proposal briefly and clearly. What do you want the board to know, discuss, or decide?

HVHS would like permission to travel to Santa Cruz for one day during the week on June 6-10th. We would be taking the winning class to the Santa Cruz Boardwalk as a reward. We will have plenty of staff and parent chaperones. We have the money saved in an account for transportation and a wrist band for students for rides. We will take food and make sandwiches and snacks to conserve on dollars.

Starting in the fall, the classes have been competing to win this trip. The points have accumulated through a series of school activities, spirit days, and the final activity. The final activity will be the Class Olympics competition in May.

List the advantages of your proposal:

This will boost school spirit and involvement. This will help create a positive environment at school.

List possible disadvantages of your proposal:

List possible alternatives that could also offer a solution to your proposal. Why were they not recommended?

Six Flags -- we chose to not go here due to cost and the possibility of not as many students being able to go due to COVID prevention mandates.
