SchooLinks

WHAT is SchooLinks?

- A college and career readiness platform used to help students navigate their post-secondary journey.
- It provides tools for students to explore careers, plan their academic paths, find internships and scholarships, and connect with alumni.

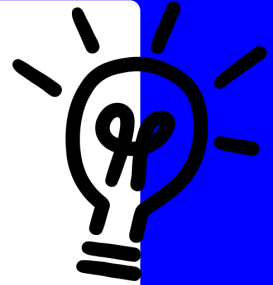

SchooLinks

WHY are we using it?

- It's a one-stop shop!
 - A comprehensive platform for learning, exploration, planning, and support.

SchoolLinks

HOW we use it now? *(Middle School)*

- Classroom lessons
- Discover interests & strengths
- Explore different career paths
- Self Exploration
- Goals

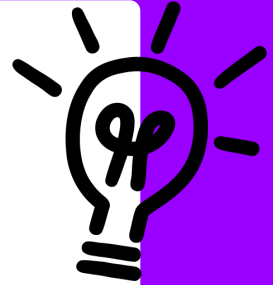

SchooLinks

HOW we plan to use it...

- Students in each grade upload what assignment they want that best represents them
- Every student picks something that shows self direction and growth
 - Must be from a core class
 - Linked to POG

SchooLinks

WHEN we use it? *(High School)*

- Classroom lessons with the Career Counselor
- Explore different career paths and post-secondary options
- Create a foundation for future planning
- College prep and application process
- Goals setting

SchooLinks

HOW we plan to grow the use of it...

- Documentation/monitoring of capacities
- The following courses are graduation requirements:
 - Personal Finance
 - Civics
 - Independent Project
- Within each of each classes, students will collect data showing their growth potentially within 7 of our 10 capacities
- Examples
