

Approve General Fund  
Contingency Appropriation Transfer  
Resolution # 2023-2024.009

The General Fund adopted budget included an appropriation for operating contingency in the amount of \$250,000.

The Board by resolution has previously transferred \$25,000 of this appropriation to Fund Transfers.

The operations portion of the MHS Athletics Fund incurred a deficit balance of approximately \$20,000 through June 30,2023. This requires a transfer to the MHS Athletics Fund greater than the amount of the 2023-2024 budget. There could be additional unanticipated expenditures that require a transfer of funds from the General Fund to the MHS Athletics Fund that exceeds the budgeted amount for 2023-2024,

**BE IT RESOLVED** that a transfer of \$45,000 appropriated as Contingency in the General Fund be transferred to the Fund Transfers appropriation in the General Fund.
