Good afternoon Becky,
It is with an extremely heavy heart that I inform you of my resignation from Browning Public School District effective immediately.

I am beyond grateful for the relationships and trust I built with my students and their families and prayed and debated on the choice to leave, as I would rather serve my own community than anywhere else. However with my sons' no longer in school and my home being north of Cut Bank, the best decision for me was to move my employment closer to home. It wasn't an easy decision to make, as there are some students I would lay awake worrying about, but financially it's the more rational choice.

I thank you all for the amazing opportunity to be apart of the most amazing team I could've asked for and I hope the new nurse will take as much care, consideration and patience it will need, as well as give the love it will need as well. I hope nothing but good things for our district and can't wait for fall sports to start. As I will still be there to cheer. Lol

Sincerely,

Kylie Rutherford
BPS Special Services Nurse
