

CHILD NUTRITION BOARD REPORT

APRIL 20, 2021

LYNNE KEENAN, DIRECTOR

COMMUNITY GARDEN

- We will be having an event to kick off our Community Garden sometime in May. We will be making repairs as well and hauling dirt in.
- We will be having students and parents start flowers and vegetables. They will be putting them into the green house.
- We will also be planting some more trees in the garden.

SUMMER LUNCH BUS

- We would like to get our Summer Lunch Bus painted. We were the first in the state of Montana to have a food truck/bus. All other schools in Montana have beautiful painted Food Buses or Mobiles.
