Dear John & Corrina,

It is with a heavy heart that I submit this letter of resignation. Motherhood certainly changes priorities and I need to spend the next year with my daughter, and eventually move back to my family in Vermont.

It has been a great honor in my life to have worked in this district for the last 10 years, and while I have been away from my own family, I have felt so supported and loved by my school family.

I set my resignation day as June 17th, 2022.

Thank you,

--
