

**DU PAGE ELEMENTARY SCHOOL DISTRICT 13
BOARD OF EDUCATION
Bloomington, Illinois
Regular Meeting November 28, 2022**

FOR ACTION

Subject: Resolution to Honor District 13 Faculty, Staff, and Administration

This year, the faculty, staff and administration achieved some impressive goals in student growth and achievement. With the work of providing, or supporting, high quality instruction during the Covid-19 pandemic, there were many concerns regarding the potential growth of students. With typical methods of instruction unavailable due to students learning remotely or abiding by social distancing requirements, faculty, staff and administration persevered by maintaining the relationships necessary with students and families while adapting to changes as they happened. The results were MAP growth figures that registered above pre-pandemic national norms and two out of three schools recognized by the State Board of Education as being in the top 10% in their performance.

I recommend to the Board to approve the Resolution to Honor District 13 Faculty, Staff, and Administration as presented.

Recommendation: The Board approve the attached resolution honoring District 13 faculty, staff and administration, as presented.
