

Browning Middle School
Board Report
September 7, 2021

6th grade – 93 attending/should have 131
7th grade – 85 attending/should have 145
8th grade – 73 attending/should have 137
Total =251

7 day run-out attendance average

6th grade = 78.44%

7th grade = 75.80%

8th grade = 76.41%

Building Update

Our building is mostly complete from the renovation and addition that has taken place over the past year and a half. Underground sprinklers were installed over the summer, and sod was put down August 30th and 31st, so we have lush, green grass now!

We are still in desperate need of having our cameras installed, and there are some minor “punch-list” items that need to be addressed, but overall we are so proud and thankful for our building!

Orientation

BMS orientation took place August 17-19, 2021 in BMS cafetorium. Forty-five staff members participated over the course of the three days, and it was **SO** good to have everyone back together for our face-to-face meetings. During this time, we covered a multitude of topics, including but not limited to: building expectations,

FERPA, technology, Title IX, behavior expectations, and laid the ground for PD and staff meetings that will be taking place virtually throughout the quarter. iPad carts and iPads were distributed to staff, who took them to their Advisories. During the student's first two days of class (August 23 & 24) students stayed with their Advisory teacher and covered the handbook, behavior expectations, classroom rules and expectations, toured the building, received the iPad user agreements, and worked on an Honor Your Life Identity Project.

Sports

Fall sports are underway! Below are the current dates for each of our three sports offered this fall. If you have the time, I encourage you to attend, cheer for our teams, and witness how hard our students have been working!

Cross Country

Shelby
10/2/2021 Havre

Football

10-4-21 Meeting Google
Play in Games Week of Oct. 4
Oct. 9 Seeding Tournament - TBA
Oct. 16 Final Four
Conference games will be counted via teams 1st encounter

School Newsletter

Mrs. MadPlume is hard at work preparing our first newsletter of the year.
We hope to publish the first 2021 edition in September.

Like our newsletter, we hope to have enough grades and attendance data gathered for students to begin our Student of the Week, Student of the Month, and Parent of the Month beginning in September.

Staffing

For the 2021-22 school year we are pleased to welcome Mrs. Johnson as our librarian, Mrs. Kennedy for 6th grade Science, and Mrs. Tatsey for 6th grade Immersion.

Currently, we are still in need of two 6th grade ELA teachers, a Special Service resource room teacher, and a Supplemental Math teacher for grades 7/8.

Be well!

William Huebsch

BMS Principal
