

Interagency Service Agreement

Outreach Community Ministries Transitional Housing (Outreach) wishes to join with other service providers in the implementation of a coordinated network of services, which mutually contribute to the betterment of services to families and individuals who are homeless or at risk of homelessness.

To this end, **Outreach and Community Consolidated School District 89** will:

1. Recognize the existence of their respective professional services.
2. Communicate with one another any change in services delivery or admission criteria.
3. Maintain regular and frequent contact, including regularly scheduled case reviews.
4. Assist in providing necessary client information with the use of appropriate release of information forms.
5. Acquaint and refer clients, families, and single persons between the ages of 14 and 24 and are in need of other services such as referrals for emergency/interim housing and transitional housing.
6. Generally promote the continuation of a cooperative planning and services delivery for the betterment of clients, families and single persons.
7. Specifically, **will identify and contact us about youth ages 14 and up who are homeless or at risk of homelessness.**

This is a non-financial service agreement, effective for a two-year term, and may be renewed thereafter. Either party may revoke the agreement at any time with written notice.
