In the case of professional employees, the term does not mean educational policies of the School District. "Terms and conditions of employment" are subject to the provisions of PELRA.

Section 2. Teacher

"Teacher" shall mean all persons in the appropriate unit employed by the School Board in a position for which the person must be licensed by the State Board of Education or the State Board of Teaching: but shall not include the Superintendent, assistant Superintendent, principals, and assistant principals who devote more than fifty percent (50%) of their time to administrative or supervisory duties, confidential employees, supervisory employees, essential employees, and such other employees excluded by law.

ARTICLE IV - SCHOOL DISTRICT RIGHTS

Section 1. Inherent Managerial Rights

The parties recognize that the School Board is not required to meet and negotiate on matters of inherent managerial policy, which include, but are not limited to, such areas of discretion or policy as functions and programs of the employer, its overall budget, utilization of technology, the organizational structure, selection, direction, and number of personnel.

Section 2. Management Responsibilities

The parties recognize the right and obligation of the School Board to efficiently manage and conduct the operation of the School District within its legal limitations and with its primary obligation to provide educational opportunity for the students of the School District.

Section 3. Effects of Laws, Rules and Regulations

The Exclusive Representative recognize all employees covered by this Agreement shall perform the teaching and non-teaching services prescribed by the School Board and shall be governed by the laws of the State of Minnesota and by School Board rules and regulations, insofar as such rules, regulations, directives and orders, are not inconsistent with the terms of this Agreement. The Exclusive Representative also recognizes the right, obligation, and duty of the School Board and its duly designated officials to promulgate rules, regulations, directives and orders from time to time as deemed necessary by the School Board insofar as such rules, regulations, directives, and orders are not inconsistent with this Agreement. One quarter hour of credit will be granted for each ten (10) hours of classroom time for a total maximum of fifteen (15) credits. The Superintendent's discretion in approving or denying course work or workshops, as defined in this subdivision shall be final and binding and shall not be subject to the grievance procedure.

Subd. 7. Concurrent Enrollment

A stipend of \$250 per semester will be paid for each concurrent enrollment class taught by the Teacher. Teachers interested in teaching a concurrent enrollment class will be approved by the Superintendent and will complete their coursework within the following guidelines:

Once direct deposit has been applied for, it will continue yearly unless changed by written notice. Teachers shall have the option of receiving the June, July, and August salary payments on the last day of school or as soon thereafter as possible. Teachers shall notify the Superintendent's office prior to March 1 of the current school year of their intent to exercise this option. This notification will continue in effect until a change is submitted. Teachers who have terminated employment or have approved leaves will receive all payments by the conclusion of the business year. Checks will be issued on the last working day of the business office, if a pay date falls on a holiday or weekend. Unless the holiday is on a Monday, then the checks will be issued on a Tuesday.

Section 9. Staff Sharing

Subd. 1.

A Teacher who has attained continuing contract status may request to share a teaching position. A Teacher selected to share a position shall retain membership in the Bargaining Unit and shall be considered to meet the definition of "Teacher" in Article III, Section 2.

Subd. 2.

The Teacher wishing to share a position shall make written application to the Superintendent or his designee. In the event that only one position in the job share is filled within the district, the second position shall be posted. Initial or renewal applications must be made by April 1 to facilitate staffing plans for the following school year during which the positions will be shared.

Subd. 3.

Applications may or may not be approved and/or renewed on a yearly basis at the discretion of the Superintendent or his designee. At the time an application is approved, participating Teachers shall mutually agree in writing: to the dates of duty, to refrain from applying for unemployment compensation during that year, to the repayment of any salary advance that is subsequently unearned, and to any other necessary conditions which are consistent with the provisions of this Article.

Subd. 4.

A Teacher who is sharing a position under the provisions of this Article shall retain full seniority rights and the right to all benefits pursuant to this agreement to the extent of the Teacher's employment.

Subd. 5.

Both Teachers sharing a position may be required to participate in staff meetings, parent conferences, and other meetings, as determined by the District without additional compensation beyond their respective Full Time Equivalent (FTE) equivalent.

Subd. 6.

The most senior Teacher in job sharing position will have the incumbent position if the job share assignment is no longer in effect. Upon completion of the job share assignment, the non-incumbent Teacher may seek another position or apply for a transfer to an open position in the District for which the Teacher is licensed.

Subd. 7.

In the event a long-term replacement becomes necessary for a job share partner, the District will ask the remaining partner to fill the position.

Subd. 8.

Teachers agreeing to a job share may return to a full time position at any future date (unless, pursuant to Article XIV this would result in the displacement of a more senior qualified Teacher) by giving written notice of this intent by February 15 prior to the school year of intended return.

Online class enrollment will be determined by averaging the previous three years enrollments of the traditional class. Online classes will serve plus or minus 20% of the average. Enrollment will not exceed the 20% cap. If a class has not been offered the previous three years, the most recent enrollment(s) will be utilized. \$1018.25 for single coverage

\$1622.71 for single plus one coverage

\$1651.71 for dependent coverage

Any additional cost of the premium for single, single plus one, or dependent coverage shall be borne by the Teacher and paid by payroll deduction. The contribution for a full-time Teacher whose spouse is also employed full-time by the District, and said spouse, shall not exceed the amount of the District's contribution for single coverage for one Teacher and the District's contribution for family coverage for the other Teachers, in no event shall either Teacher receive any cash reimbursement. Section 3. Term Life

Term life insurance in the amount of \$20,000 shall be provided by the School District for each full-time Teacher. The Teacher may elect to personally purchase additional term insurance in an amount approved by the life insurance carrier. The optional insurance may be purchased once each year prior to June 1 of the preceding year.

Section 4. Dental Insurance

A dental insurance plan will be provided by the School District for all full-time Teachers, subject to provisions set forth by the insurance carrier. The School District shall contribute a monthly amount up

to \$25.00 in 2021-2023 toward the cost of the premium for each full-time Teacher for single, dependent or family coverage.

Section 5. Income Protection Insurance

The School District shall provide all full-time Teachers up to the age of 65 with an income protection plan. The plan shall provide 70% of the yearly contracted income upon disability with a thirty (30) calendar day waiting period from the onset of the disability. In the event a Teacher's sick leave accrual is not used at the time insurance benefits commence, sick leave benefits will be coordinated with the insurance benefits to equal 100% of the contracted daily salary. Coordinated benefits will continue until sick leave accrual is used up.

Section 6. Annuities

Teachers shall have the option of selecting a company of their choice. A new annuity company can be added when three (3) applications have been received from employees for a specific company with a maximum number of twelve (12) companies allowed (varieties within a family count as 1). Section 9. Duration of Insurance Contributions

A Teacher is eligible for School District contribution as provided in this Article as long as the Teacher is employed by the School District. A teacher shall not drop a license in which they are currently teaching.

Section 4. Realignment

For purposes of placement on ULA or recall from ULA, nothing in this article shall require the School District to reassign a senior teacher to a different position for which he/she is not qualified.

Section 5. Reinstatement

Subd. 1. Process

No new teacher at any licensure tier shall be employed by the School District while any qualified teacher is on ULA in the same field and subject matter. Teachers placed on ULA shall be reinstated to the positions from which they have been given leave or any other available positions in the School District in the fields in which they are licensed as such positions become available. The order of reinstatement shall be in inverse order in which teachers were placed on ULA.

Subd. 2. Notices

When placed on ULA, a teacher must file his/her name and address, to which any notice of reinstatement or availability of position shall be mailed, with the School District personnel office. Proof of service by the person in the School District depositing such notice to the teacher at the last known address shall be sufficient, and the teacher on ULA shall be responsible to provide for forwarding of mail or for address changes. Failure of a notice to reach a teacher shall not be the responsibility of the School District if any notice has been mailed as provided in this article.

Subd. 3. Acceptance of Reemployment

A teacher placed on ULA shall have rights to reinstatement for a period of five years or until the teacher is fully reinstated, after which the right to reinstatement shall terminate. Teachers placed on unrequested leave of absence must be reinstated to the positions from which they have been given leaves of absence or, if not available, to other available positions in the school district in fields in which they are licensed. Reinstatement must be in the inverse order of placement on leave of absence. A teacher must not be reinstated to a position in a field in which the teacher holds only a provisional license, other than a vocational education license, while another teacher who holds a non-provisional license in the same field remains on unrequested leave. A teacher has ten (10) business days to accept the reinstatement position. A teacher on unrequested leave does not forfeit the right to reinstatement when accepting a position for less than the full position they were placed on leave from.

Section 6. Establishment of Seniority List

Subd. 1. Placement

The School Board shall annually cause a seniority list by name, date of employment, qualification and subject matter or field to be prepared from its records. It shall thereupon post such list in an official place in each schoolhouse of the District by November 15 and approved by the School Board by December 30.

Subd. 2. Appeal Process

Any person whose name appears on such list and who may disagree with the findings of the School Board and the order of seniority in said list shall have 10 days from the date of posting to supply written documentation, proof and request for seniority change to the School Board.

Subd. 3. Final List

Within 10 days thereafter, the School District shall evaluate any and all such written communications regarding the order of seniority contained in said list and may make such changes the School Board deems warranted. A final seniority list shall thereupon be prepared by the School Board, which list as revised shall be binding on the School District and any teacher. Each year thereafter the School Board shall cause such seniority list to be updated to reflect any addition or deletion of personnel caused by retirement, death, resignation, or the cessation of services or new employees. Such yearly revised lists shall govern the application of the unrequested leave of absence policy until thereafter revised.

Section 6. Filing of Licenses

In any year in which a reduction of teaching positions is occurring and the School Board is placing teachers on ULA, only those licenses actually received in the Superintendent's office for filing as of January 15th of such school year shall be considered for purposes of determining layoff within areas of licensure for the following school year. A license filed after January 15th shall be considered for purposes of recall but not for the current reduction.

Section 7. Effect

This article shall be effective at the beginning date of this Master Agreement and shall be governed by its duration clause. This article shall govern all teachers as defined in Section 2., Subd. 1. above and shall not be construed to limit the rights of any other licensed employee not covered by the Master Agreement or other Master Agreement affecting such licensed employee.

Section 8. Procedure

Subd. 1. Notice to teachers

Following school board action on discontinued positions and school board action proposing placement of teachers on ULA, each individual teacher proposed for placement on ULA shall receive notice of the proposed placement that:

- a. States the applicable grounds for the proposed placement
- b. Provides notice to the teacher of their right to request a hearing on the proposed placement within 7 days from the receipt of the notice; and
- c. Provides notice to the teacher that failure to request a hearing will be deemed acquiescence to the school board's proposed placement action. (Copy to the Association)

Subd. 2. Right to a hearing and decision

If the teacher requests a hearing within 7 days from the receipt of notice, teachers proposed for placement on unrequested leave of absence pursuant to school board action shall be entitled to a hearing.

Section 9. Final Board Action

Final board action to place a teacher on unrequested leave of absence must take place prior to July 1. Final school board action must not occur before notice to the teacher as required above and acquiescence, or notice to the teacher as required above and the school board decision.
