TERMS: Upon receipt of application for business account, signed quote/purchase order and review by the credit department, the down payment and terms will be established and shared with the customer and account executive. Stafford-Smith reserves the right to progress bill for equipment as needed. This includes items shipped by the manufacturer to Stafford-Smith for storage and is not conditional upon being installed, mechanically connected or operational. You are welcome to inspect all stored materials.

Stafford-Smith, Inc. shall retain security interest in all equipment, parts, small wares, accessories, attachments, additions, and any replacements of the above that have been installed, affixed to or used in connection with the items specified in this proposal until all amounts have been paid.

Should the Buyer sell or otherwise dispose of such collateral in violation of the terms of this agreement, Stafford-Smith, Inc. retains an interest in the proceeds from such transactions. Buyer authorizes Stafford-Smith, Inc. to file a financing statement describing the collateral and a copy of this agreement and/or the credit application may be filed as a security agreement for granting a secured interest in Buyer's inventory and sales proceeds thereof.

Past due amounts constitute a default and are subject to service charges of 1 ½% per month, collection costs, and attorney fees. Warranties are conditioned on your paying the full purchase price for the equipment.

In addition to non-payment, an act of default by the buyer will have occurred if the buyer fails to accept the order of goods or fails to perform any other covenants under this agreement. In the event of default, Stafford-Smith, Inc. may enter any business property and without breach of the peace take possession of any or all collateral and exercise our rights in the event of default of a secured party as specified under the Uniform Commercial Code. Should any disputes arise, Buyer consents to the jurisdiction of the Courts of Kalamazoo County, State of Michigan.

Except as otherwise provided herein, this proposal does not include any applicable State or Federal taxes, any charge for electrical wiring or plumbing and is subject to acceptance by buyer and seller within fifteen (15) days from the date of this quote and only in accordance with the terms stated.

When ordering drop-ship equipment, please be aware to inspect your order immediately upon receipt. You may request the driver wait, for a reasonable amount of time, while you inspect and they must comply to your request. If the driver refuses to wait, please mark the receipt "driver not willing to wait" and contact Stafford-Smith within (48) hours in order for a claim to be filed. If there is damage, you may refuse or you can accept and note the damage. Please take photos, if possible, to assist in filing the claim. You must keep all original cartons, even if you accept the damage, so Stafford-Smith can pursue a freight claim on your behalf. Please send the bill of lading and any additional documentation to your Stafford-Smith representative.

If you don't have time to inspect when delivered, you have up to (48) hours to inspect and notify us immediately if there is an issue so we can address the best way to handle the claim. If not notified within (48) hours, your claim may not be valid.

We have implemented a 3.0% convenience fee on credit card transactions. As an alternative we also accept ACH, ECheck and wire transactions and you can pay directly from our website.

I agree to the terms set forth in the application, this quote hereof and offer to purchase described goods and services as proposed hereby.
