

Minidoka County Joint School District No.331 will grant the use of school buildings and facilities for photography purposes of students.

Provisions

The following provisions are intended to be used for compliance of this policy:

1. Elementary Schools:

- a. Elementary schools are to notify parents that they are receiving money for services-rendered from the photographer.
- b. Parents are also to be notified that participation is strictly voluntary and younger siblings may have their pictures taken.

2. Secondary Schools:

- a. If a professional photographer is provided space for taking pictures, he/she may be charged a fee for rental of the space. The fee will be set by the school administration.
- b. Parents shall be notified as to the intended use of the pictures taken. i.e.. Senior pictures, pictures for yearbook, dance pictures, athletic team pictures, school newspaper.
