RE: 800 MHz Radio Purchase

After reviewing all bids, it is my recommendation to except Grand Traverse Mobile Communications' bid in the amount of \$54,369.00.

Line item: 211-325-970.000

Project explanation: Bulk purchase County/Township partnership cost breakdown as follows:

| | |
|-----------------------------|--------------------|
| Alpena County: | \$27,184.50 |
| Charter Township of Alpena: | \$3,883.50 |
| Sanborn Township: | \$3,883.50 |
| Wilson Township: | \$3,883.50 |
| Maple Ridge Township: | \$3,883.50 |
| Long Rapids Township: | \$3,883.50 |
| Green Township: | \$3,883.50 |
| Hubbard Lake: | \$3,883.50 |
| Total: | \$54,369.00 |

Supporting factors: 5-year warranty vs 3-year warranty; VP 5430 Portable are the same as the radio at City Fire, which provides for model familiarity and ease of training

Thank you for your consideration,

Mark Hall Emergency Services Coordinator
