MARCH 2023

GREETINGS EVERGREEN FAMILIES,

March is starting off feeling more like winter than the ushering in of spring. However, spring will be here before we know it, March 20th. March is such an important month leading to state testing for 3rd and 4th grade. This state testing will begin next month in April. Please make sure your child's attendance is strong the remainder of the year. For our younger students, spring sees an increase in rigor as well, due to their hard work the first half of the year. Again, attendance is so important.

Our 3rd Annual Read-A-Thon started February 27th, and will go through March 13th. Make sure to check out all the books being read to our students on our school website, and our Facebook page. More and more of you have been going through the steps to be cleared as volunteers. Thank you so much! Our PTO team has been faithfully raising money through popcorn sales, and would love more individuals to join. Our Parent Teacher Organization, are those that put the work into hosting items like family movie night, campus improvement projects, and sponsoring some amazing experiences for our students. They would love your help. Go to our District website and head over to the volunteer tab for more information.

Thank you for being part of the Evergreen family.
Jenny Jones
Principal

What did the dirt say to the rain?
You'd better cut it out, or my name will be mud!
