

## Certificates

We also have the distinguished honor to recognize our one of our golfers as an All-State Academic Boy's Baseball and Girl's Softball. The Texas High School Coaches Association understands that students' performance in the classroom can sometimes be difficult to manage while participating in athletics, but their hard work has not gone unnoticed. The All-State Teams recognize high school athletes who excel in the following categories: GPA with an overall grade point average of 92 or above, class rank and ACT/SAT score. We applaud them for their commitment and dedication to perform with the highest of excellence academically and on the field or court. Our Calallen Girl's Softball All- State Academic Team athletes are:

- Braelyn Bailey – 2<sup>nd</sup> Team
- Jordan Thibodeaux – Honorable Mention

We congratulate our recipients and recognize their parents as well, for supporting their academic and athletic endeavors. In addition, I would like to acknowledge Head Coach Teresa Lentz for her guidance and leadership working with our softball athletes and the accomplishments of achieved by our awarding winning softball program.
