

Waskom ISD Highly Qualified Report

Waskom Elementary School is 100% highly qualified with 18 classes (PK – 4) taught by HQ teachers.

Waskom Middle School is 91.43% highly qualified with 63 out of 69 classes taught by HQ teachers.

- Shyra Mulford is not highly qualified to teach 8th grade mathematics by federal guidelines because she has not passed a TExES exam for Texas Certification even though she has teaching certificates from two other states. She will be taking the General Education Certification exam on December 17.
- Amy Chachere is not qualified by state guidelines because she is certified ELA 8-12 but is currently teaching 6th grade ELA. She too will be taking a TExES examination.

Waskom High School is 98.00% highly qualified with 97 out of 99 classes taught by HQ teachers.

- Zach Davis is not highly qualified to teach Theater Arts or Theater Production by federal guidelines because he has not passed the TExES exam. He will be taking the exam when it next comes available.
- Matt Goode is not qualified by state guidelines because he is certified in PE only but is currently teaching World Geography.
