

Administrative Liaison Meeting Minutes

October 23, 2017

1. Aramark Behavior Management Training
 - Training for lunch monitors? Is it necessary? No
 - D303 has done some training, CPI de-escalation and CHAMPS
 2. First responders training with SWD/Evacuation plans
 - Safety team in building is trained, but first responders (police and fire) do not have training
 3. Access to crisis management alerts
 - Bring to superintendent's attention to include me in the robocall
 - This will include MV teachers in district buildings
 4. Medical Marijuana
 - Nothing at all
 - Was a student last year in 12+ program
 - Kaneland/St. Charles has policy-prohibited
 - Will check with attorney
 5. ISTAR
 - Secretaries responsible for "fatal errors" in ISTAR currently
 - MVSEC fixes MV students
 - Lisa has to fix one by one
 - District secretaries want to be able to fix district students in MV program
 - Biggest issue with start/end dates
 - Errors reports alert coordinators
 6. ESY Attendance
 - Review attendance for ESY. Did we get? Yes.
 7. 2018 ESY dates: 7/9-8/4/2018
 - Correct
 8. Power IEP: can you see MV in "serving district"
 - Do district have the ability to change "serving district" in PowerIEP?
 - Doesn't allow districts to do that because MVSEC is not a district
 - We need to determine exactly how to list in regards to RCTD and PAARC-district that needs to have access for testing purposes
 - Only MJC that need to have MVSEC as serving district, however districts need to have PowerIEP to change
 9. Vision criteria/Vision Itinerant
 - O & M permission for community assumed via IEP
-

- However, informed consent alerting parent in advance: email, written statement
- Transportation from school to location: how do district want to transport student?
- Mid Valley arranges transportation and charge district
