

## SCHOOL BOARD MEETING REPORT

**Board Meeting Date:** Feb. 19, 2020      **Superintendent:** Dave Valenzuela

**Administrator/Staff:** Jeromy Wright

**Type of Item:**       *Informational*       *Action*

**Please state your proposal briefly and clearly. What do you want the board to know, discuss, or decide?**

I have applied for and been awarded two grants to support North Valley's wood shop program. I wasn't aware when I applied that I first needed approval from the board. I am hoping that the board will approve the granted amounts so that we can utilize them to improve our program.

**Provide history/background information on your proposal:**

The first grant is from Northwest Community Credit Union for \$1500. The second is from Harbor Freight for \$200. Funds from these grants will be used to purchase equipment and supplies to outfit our wood shop.

**List the advantages of your proposal:**

Access to grant money reduces the strain on district and building budgets. These dollars also give me the flexibility to go out and make purchases when needs arise.

**List possible disadvantages of your proposal:**

There are no disadvantages

**List possible alternatives that could also offer a solution to your proposal. Why were they not recommended?**

I don't anticipate opposition to my proposal but understand that in the future I'll need to clear grant applications with the board before applying.

**Superintendent's recommendation(s):**

**Approve:**      Yes       No
