

2025 / 2026 WBCSD SAFETY BUSING STOPS		
LOCATON	DESCRIPTION	WBCSD SCHOOL BUILDING
28973 Idaho 57	Area south of Pries Lake Elementary along Idaho 57 requiring a long 1.2 mile walk with no sidewalk and a narrow shoulder with speed limit of 55, reducing to 45 (25 when sign is flashing and operable).	PRIEST LAKE ELEMENTARY
Main Street & Rimrock	Area East of 57 involves a 1.3 mile walk with 100% of the walk featuring no sidewalk. The walk would be 25-30 minutes of unsupervised time with considerations for dark mornings and afternoons during the winter. Neighborhood streets are narrow with no sidewalk, and would involve crossing Idaho 57.	PRL JR / SR HIGH
High Street south of US Rte 2	Area south of US Rte 2 which would require walking students to cross Rte. 2 and walk along Rte 2 in an area without a sidewalk.	PRIEST RIVER ELEMENTARY
Larch Street & Merrit	Area East of Priest River Elementary requiring a 1.1 mile walk and 20-25 minutes of unsupervised time for a first grade student. Neighborhood streets are narrow without sidewalks and can be busy with morning and afternoon school commute.	PRIEST RIVER ELEMENTARY
