BPS Administration Building February Bulletin Board

Students at the Glendale and Big Sky Schools decorated the BPS Admin Building Bulletin Board in February with their artwork and photos. Ms. Show shared photos from Glendale taken during the summer gardening season, Christmas tree decorating, Christmas Pizza Party, and their I LOVE TO READ month celebration. Student's from Ms. Light's 1st-3rd grade class made the Heart Lady Bug Art as a class project early in the month of February.

I LOVE to READ Month

Students at Glendale and Big Sky Schools participated in I LOVE to READ month during February. Both schools used their Title 1A funds to purchase additional books to enhance each school's library. Big Sky School students are also finishing their 2nd novel study since January. Students in grades 4th-8th have had the opportunity to read *Shiloh*, *Where the Red Fern Grows*, or *Julie of the Wolves* during the second novel study that began the first week of February. Students are reading at different paces and many students have the opportunity and time to read all three book selections from the novel unit.
