Re: Athletic Director Report- April, 2017

Homedale Board of Trustees,

All spring sports are starting league play this week. Softball and Baseball played Weiser before break. Very excited to see how all of our spring sports team do this spring. So far things are looking good for all spring sports.

Baseball:- Currently our baseball teams record is 6-2. They play today against Parma and Payette on Tuesday. The JV team is currently 8-1. Their league game against Parma has been canceled due to Parma not having enough kids for a team.

Softball:- Our softball team is feeling the effects of having a very difficult non conference schedule and losing a lot of all state players from last year's state championship team. This year's schedule is the most difficult non conference schedule they have ever had. Their current record is 4-4-1. The JV team is rolling right now. Their record is 8-2-1.

Track:- Currently our 4x100 boys are the fastest in the state. Jacob Furlott is ranked first right now in the 100 and second in the 200. Eva Symms is ranked first in the state in discus and others who are ranked. Coach Alex Willson is doing a great job with the throws thus far. Their first home meet is Tuesday, April 4th. Excited to see all of the track athletes in action.

Tennis:- Tennis is getting better each week. Currently they have only had one match against Ontario in which they won. Their league competition starts this week against Weiser and Payette.

Golf:- The varsity boys have played pretty well thus far. We also start league this week. The boys team appears to be the league favorites going in. We have one girl playing varsity and one girl on JV. Excited to see everyone's progression as we hit the busiest part of our schedule coming up in the next three weeks.

Other News:- We have been given the go ahead from the Brett Shanley Memorial Fund to explore ideas on a new permanent structure for the entrance of the football field. We had a contractor come out and look over spring break and he thought we could get it done within our budget. We will let everyone know once we get the official bid back from the contractor. Attached is a mock up of what it may look like. Obviously it will not be purple and gold and will say Homedale Trojans, but hopefully that gives you an idea as to what it might look like.
